

JOB ANNOUNCEMENT

Handicap International(HI) is active in Viet Nam since 1989. The organization's vision is one of a world in which all forms of disabilities can be prevented, cared for or integrated, and in which the rights of people with disabilities are respected and applied.

Despite an increased awareness in Vietnam of the impact of brain lesions on the quality of life of persons with disabilities, there remain serious gaps in service provision and unmet individual needs. Based on the recently drafted National Action Plan For rehabilitation of the MOH, HI implements, with the support of USAID, a project of 5 years aiming to provide higher quality of life of Vietnamese persons with disabilities through improved rehabilitation and medical care management through the 1/ development of reference protocols , 2/ Capacity building for active professionals (health, rehabilitation, social) and the promotion of the 3/ Access to comprehensive approach and quality services to people with disabilities. The main activities will take place in Hanoi, Thai Binh, Hue, Ho Chi Minh and Dong Nai and the main stakeholders are provincial rehabilitation/ district hospitals, rehabilitation departments and universities.
